Jaguar XK 4.2 V8 2dr Auto | 2007

**** DEAL DONE ****

£9,495

This is quite simply a perfect example of this much sought after Jaguar XK. The previous owners have been meticulous in their attention to servicing and maintenance. The faultless bodywork has been enhanced with additional chrome fixtures and the car comes with a complete XKR style exhaust system (Adamesh quad system)

In order to maintain an already cared for car the last owner has completed a gearbox service which allows for seamless driving. A Jaguar Heritage Trust certificate has been acquired with the cars initial build detail shown.

Many service documents are present along with the service log. You will not find a more perfect example for sale in Northern Ireland at this price let alone around the rest of the UK.

The registration remains with the car.

A service and 6 months warranty is included in the price.

This is an NI car so is ideal for purchase in ROI.
