Jaguar XK 5.0 V8 Portfolio 2dr Auto | 2013

**** LOCAL CAR WITH EXTREMELY LOW MILEAGE ****

£18,995

Occasionally at Roxforde Cars, and I mean maybe once every decade, we see a real diamond. Something very rare and almost impossible to compare to locally. This Jaguar XK is that car. Originally purchased by Lloyds in Belfast it has only one other local owner. The car is of course pristine and boasts an extensive service history.

The Portfolio spec is the pinnacle of Jaguars offering at the time and creates a luxurious space to soak up the performance and style.

We take great care in ensuring the price is reflective of today's market for low mileage original classic cars. This one will sit well in any collection.
