**** A CLASSIC LOW MILEAGE CONCOURSE JAGUAR ****

£8,995

I don't like using words like "Mint" and "Concourse" to describe used cars let alone Classic cars but in this case it is absolutely warranted. This two owner local car supplied by Charles Hurst Jaguar in Belfast is quite literally perfect. It has the original spare wheel and tyre in the boot, not refurbed, with the tyre not having ever touched a road. The service history is extensive and with Hursts. There are two keys. The bodywork is so original and excellent. The interior is faultless, the headcloth has been professionally restored due to a common fault with the roof cloth. The alloys are perfect and original.

Everything about this car screams originality and as such the price has been carefully researched. This car is by no means expensive for the rest of the UK but is especially reasonable for the N.Ireland market. If you want a cheap one there are some bangers on Facebook Marketplace, if you want the best one available give us a ring.
